

i-rinse

The ultimate rinse,
every time.

Why i-rinse?

- It's easy to use and install
- Automatically rinses, no pressing, holding, or jamming water spouts
- Smart sense rinse times
- 1.5 sec for small jugs and slightly longer for larger jugs, giving the ultimate rinse, every time!
- Simply tap the jug for an extra long rinse
- Quick action STOP!
- Lift the jug to stop a rinse.
- Easy cleaning by removing the jug rest
- Clean jugs + faster service = Happy customers

Hands free washing
with no compromise!
